➤ Deakin Explore

In 2016 Deakin University launched an excellent Web App called [Explore Deakin](#). This resource allows students to kick-start their course and career exploration. Students can start with courses that lead to a career, or start with careers to find courses that lead to it. Students can filter courses and careers by what matters to them; each course and career lists others that are similar thus allowing students to broaden their options, and students can save their favourite courses and careers to access later, and even share them by email, Facebook and even Twitter.

➤ Bachelor of Medical Imaging at Deakin

Deakin University offers a 4-year Medical Imaging – otherwise known as Medical Diagnostic Radiography – at its Geelong Waurn Ponds Campus. The course provides students with the opportunity to develop the knowledge, skills and clinical expertise

for them to practise as a registered diagnostic radiographer once accredited by AHPRA. The program
Students get to use the latest equipment, and learn basic x-ray techniques, before advancing to more complex medical imaging procedures such as general radiography, digital vascular imaging, mammography, computed tomography (CT), general ultrasound (U/S) and magnetic resonance imaging (MRI).

Students undertake substantial clinical practice in clinical centres, medical imaging clinics and hospitals, as well as at Deakin's own three-roomed, state-of-the-art medical imaging training unit. Clinical placements typically take place at facilities across rural and regional areas of south-west Victoria. Interstate placements may be available at the expense of the student.

Other areas of study include medical radiation science linked to principles of medical imaging, biological sciences, plus important ethical and legal aspects of health care that will inform and support your future clinical practice.

The VCE entry requirements are Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; and a study score of at least 25 in one of Biology, Chemistry or Physics; and a study score of at least 22 in one of Maths: Mathematical Methods (any) or Maths: Specialist Mathematics.

Subject Bonuses may also be awarded: A study score of 40 in any English equals 3 aggregate points per study. A study score of 35 in Biology, Chemistry, Maths: Mathematical Methods (any), Maths: Specialist Mathematics or Physics equals 3 aggregate points per study. A study score of 35 in any English equals 1 aggregate point per study. A study score of 30 in Biology, Chemistry, Maths: Mathematical Methods (any), Maths: Specialist Mathematics or Physics equals 2 aggregate points per study. Overall maximum of 10 points.

Experience La Trobe Day

Experience La Trobe is designed especially for Year 10, 11 and 12 students to get a taste of what it is like to be a university student for a day and get the inside scoop on what really happens after high school. Students may participate in workshops of their choice, find out about student life and also check out the **Melbourne campus**, including student accommodation. University students and staff will be there to help participants out and answer any questions that might arise. **Experience La Trobe** is a *free* event - with lunch and entertainment provided! The **Melbourne campus** event will take place on Friday 7 April 2017.

Register at [Experience La Trobe](#) to be kept updated as to when actual registrations open!

Swinburne Early Leaders Program (ELP)

*The **Early Leaders Program (ELP)** enables students to identify, catalogue and articulate their learning experiences - both in and outside the classroom - providing students with a portfolio of skills, which can be used to seek tertiary education or employment.*

This program has been specifically designed for Year 11 students who want to [maximise their employability and potential for career success](#).

Swinburne's ELP is an assessed program for students who can demonstrate their applied knowledge and skill within a particular area. It recognises many of the activities secondary students are already involved in and encourages them to expand their knowledge.

Swinburne's ELP is made up of **four categories** that are designed to challenge a student's knowledge and skill within a chosen area.

Students must complete both core categories and choose one elective to be awarded credit:

- Research/Academic skills (core)
- Career Development skills (core)
- Creativity (elective)
- Community engagement (elective)

Each category has activity requirements that students must meet in order to demonstrate their skillset. They will also need to create links between these activities and the skills that are required for further study and employment. On successful completion, students are awarded credit towards the Swinburne Emerging Leaders Program, which is for current Swinburne Students.

So, what are the benefits of participating in the ELP?

The ELP has many benefits for students and provides a valuable resource for use in applications for employment and further study.

Benefits include:

- Endorsement of the student as a Swinburne Early Leader candidate and Swinburne representative for their school
- Successful ELP students will receive an award badge, certified by Swinburne
- Invitation to one-on-one personal course counselling prior to the VTAC application close date or anytime thereafter
- Free VCE revision tickets
- Personal invitation to all relevant Swinburne events

All Year 11 students are encouraged to apply. The Early Leaders Program will commence 8 March 2017.

To find out more about this free program, register at [Early Leaders Program \(ELP\)](#)

Career in Event Planning

The Good Universities Guide indicates that an **event planner** or **event coordinator** *plans and organises special events, including parties, wedding receptions, product launches, banquets, meetings, conferences and conventions.* Successful event planners –

- enjoy working with people
- good organisational and time management skills
- have very attention to detail
- good interpersonal and supervisory skills
- good communication skills
- neat personal appearance
- comfortable working with computers
- able to negotiate, delegate and work under pressure

Depending on the size of the establishment, events coordinators may work independently or as part of a team. They often work irregular hours, and on weekends and public holidays. [Learn more at Good Universities Guide - Events](#)

There are a number of institutions in Victoria that offer courses, or majors, in event management, and some of these include –

Institution	Course	VCE Entry Requirements
ACU	Bachelor of Commerce	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.

➤ **New Pathways to study at ANU**

The Australian National University (ANU) is introducing the following **pathway programs** to prepare students for entry into Bachelor-level study:

- [Diploma of Creative Arts](#)
- [Diploma of Music](#)
- Diploma of Science (details coming soon, so watch this space)

➤ **New Bachelor of Health Science**

Starting in 2018, the **Bachelor of Health Science** will deliver an interdisciplinary research led and focused education that will equip graduates for career pathways in medicine, allied health, health organisations and public service. Students will be able to pathway into the Master of Public Health as a part of a FVDD, and pathway to medicine. **Further details will be released by ANU soon, so watch this space!**

Environment & Sustainability at Swinburne University

Preserving the earth begins with an understanding of the current landscape.

The environment and sustainability courses offered at Swinburne are an exploration into what it means to champion and sustain the earth for future generations. Courses are designed to provide foundational knowledge and practical skills through an emphasis on *conservation, land management, horticulture, renewable energy* and more. *An environment and sustainability course could lead to a future in floristry, horticulture, retail, writing, and beyond.* **Swinburne offers courses in -**

- [Conservation and Land Management](#)
- [Environmental Science](#)
- [Environmental Sustainability](#)
- [Horticulture and Landscape](#)

Visit [Environment & Sustainability](#) to find out more!

Bond University College

Located within Bond University's classically designed campus on Queensland's Gold Coast, **Bond University College** is fully integrated with the University's educational structure and lifestyle. **Bond University College** provides pathways to

undergraduate study, including English language programs. **Bond University College** offers a range of diplomas which pathway to bachelor courses, and ATAR requirements are lower for diplomas than for bachelor degrees - [Bond University College Diplomas](#). Successful completion of a Diploma guarantees students a place in the undergraduate degrees at Bond University, with a possible 80 credit points credited towards their new program of study.

As full members of the University community, Bond University College students enjoy access to Bond's libraries, IT resources and research facilities, as well as student support services, recreational facilities and accommodation.

New Bachelor of Nutrition Science

Nutritionists help communicate nutrition science to the public and advise the community about food choices for healthy eating. Studies in nutrition therefore include the nutritive value of foods, the nutrients that bodies need at different stages of development, and the role that nutrients and diet play in health promotion and disease prevention. Nutrition links very closely with the national health priorities in Australia such as obesity, diabetes, cardiovascular disease much of which are preventable through healthy lifestyle.

ACU's new 3-year **Bachelor of Nutrition Science** program will focus on general healthcare, chronic disease management, Indigenous health, and other emerging areas of need in the industry and will appeal to students interested in careers in nutrition including nutritionists in public and private industry, hospitals and public health sectors, e-health and tele-health, in nutrition communication, and in the food science and in the research and development sectors.

Importantly, the program will also provide the basis for postgraduate studies in dietetics. Dietitians treat disease through diet and therefore require further studies and clinical practice in health settings.

The VCE pre-requisites are: Units 3 and 4 – a study score of at least 30 in English (EAL) or 25 in any other English.

Find out more at [Bachelor of Nutrition Science](#)

Photographic Studies College (PSC)

Photography Studies College (Melbourne), is a leading contemporary tertiary photography college, located in Melbourne's vibrant arts and cultural scene, only 5 minutes' walk from Flinders St Station, close to a multitude of contemporary galleries and cafes. As a leading Australian multi award winning photography educator with

over 40 years of specialised experience our focus is on providing a contemporary, high quality teaching and learning environment.

Find out more about this private college by visiting [Photographic Studies College](#)

Billy Blue College of Design

Billy Blue College of Design offers a range of courses including –

- [Communication Design](#)
- [Digital Media Design](#)
- [Branded Fashion](#)
- [Commercial Interior Design](#)
- [Residential Interior Design](#)

Find out more at [Billy Blue College of Design](#)

TRACTOR[®] Tractor - Specialist Design School

Tractor is a specialist design school run by industry leaders. It's the new name for Grenadi School of Design, which had a 20-year history and a fantastic reputation. During the transition to Tractor, we were careful to keep the things that made Grenadi famous: small class sizes, and an attentive learning environment that helped students develop their creativity.

Tractor offers courses in *graphic design, website development, digital media technologies, and photo imaging.*
